What's the award for?

The Innovator's Circle Award spotlights individuals who, through their outstanding performance, put the "I" in innovation.

So what?

Only a select few will earn the honor. Individuals who join this prestigious circle have demonstrated innovation that has the potential to impact the business, resulting in a change in our culture and/or business practice.

What if it is a team effort?

This award has been created to honor innovative individuals who have put the "I" in innovation. Although it is not a team-based award, if the innovation was a joint effort, two to three individuals may be recognized for the same innovative action or accomplishment.
